## **Georgetown Chamber Hosting Job Fair on June 5**

The Georgetown Chamber of Commerce and Workforce Solutions Rural Capital Area will host a job fair on Wednesday, June 5. The event will be from 10 a.m. to 1 p.m. at 2425 Williams Drive in the Georgetown Community Room. The event is free, and job-seekers are encouraged to bring resumes.

The fair will be held for businesses affected by the recent evacuations in and around the intersection of Williams Drive and River Bend in Georgetown.

### **About the evacuations**

Atmos Energy responded to an underground gas leak on Feb. 20 in Georgetown. Subsequent evacuations affected 140 residences and businesses in the Williams Drive and River Bend area as a result of residual gas underground. Atmos Energy extracted the underground gas, repaired leaks, and has committed to continue pipe replacement projects in Georgetown in the coming months.

Atmos Energy paid claims to affected businesses, connected businesses with resources and facilities to continue their operations, and committed to processing claims throughout the evacuation. Atmos Energy will continue to provide support and work through the claims process with those affected as they reopen for business.

### **About the Georgetown Chamber of Commerce**

The Georgetown Chamber of Commerce is an independent 501(c)6 nonprofit organization that facilitates economic success for our community through advocacy, education and collaboration.
