**GEORGETOWN CHAMBER TO ENDORSE WILLIAMSON COUNTY
BOND ELECTION**

Funds will advance infrastructure in Williamson County

GEORGETOWN, TX, October 7, 2019 —

The Georgetown Chamber of Commerce will support the November 2019 Williamson County Bond Election for \$447 million.

The bond will be on the November 5 ballot and will have two propositions—the first is for the issuance of bonds not to exceed \$412 million for roads, and the second is for the issuance of bonds not to exceed \$35 million for parks and recreation. Williamson County estimates that passage of the bond will not result in an increase in the county's debt service tax rate. The chamber believes that both propositions will ensure the infrastructure and amenities in our county will support the projected growth.

"Williamson County is growing and these propositions identify key transportation projects that will improve our infrastructure and move our community along," explained Jim Johnson, the Chamber's President and CEO.

The Georgetown Chamber of Commerce is an independent 501(c)6 nonprofit organization with a mission to facilitate economic success for our community through advocacy, education and collaboration.
