**WORKFORCE SOLUTIONS**  
RURAL CAPITAL AREA

A proud partner of the AmericanJobCenter network

Out of an abundance of caution for the health and safety of our communities, our Rural Capital Area Career Centers have been temporarily closed to public access.

To ensure that local job seekers and employers continue to receive world-class workforce services, we have activated a new resource: Jobs Now!

# JOBS NOW!

<https://bit.ly/ruralcapitaljobsnow>

**SEE JOBS NOW IMMEDIATELY AVAILABLE WITH LOCAL EMPLOYERS  
THROUGHOUT THE 9-COUNTY RURAL CAPITAL AREA**

Our direct connection with employers who need workers **NOW** helps businesses fill job vacancies, and empowers job seekers impacted by COVID-19, to find work. Register on [WorkInTexas.com](https://www.workintexas.com) to apply for jobs and get updates.

We share your concern for the current health crisis, and we are committed to stopping the spread. While our career centers will not be open to the public, our talented workforce professionals are here to serve you, by email, phone, online, and hosting virtual events, to keep our community working.

As Rural Capital Area Employers are contacting us with immediate job openings throughout our region, we are posting them by county, to connect you to opportunities. If you're an employer who would like to have your open positions added, please email our Business Services Team: [businessservices@ruralcapital.net](mailto:businessservices@ruralcapital.net)

**Where Business & Careers Meet!**
