Chamber Launches Coronavirus Resource Page

GEORGETOWN, TX, March 17, 2020 —

The Georgetown Chamber of Commerce has created a resource page at www.georgetownchamber.org/coronavirus

“The website has compiled trusted resources that we believe will be beneficial to the businesses and the community,” said Georgetown Chamber of Commerce & CEO, Jim Johnson. “Additionally, there are updates on Chamber members who have modified their services or hours.”

Please visit us on [Facebook](#) or [Twitter](#) for updates when the page has been revised.

We will continue to monitor the impact and spread of the coronavirus and closely follow updates from the [Williamson County & Cities Health District](#), the Texas Department of State Health Services (DSHS) and the [Centers for Disease Control and Prevention](#).

The Georgetown Chamber of Commerce is an independent 501(c)6 nonprofit organization with a mission to facilitate economic success for our community through advocacy, education and collaboration.
