**Chamber Sends Letter to Council in Support of Downtown Parking**

**GEORGETOWN, TX, January 29, 2020 —**

The mission of the Georgetown Chamber of Commerce is to facilitate economic success for our community through advocacy, education and collaboration. For many of our members in downtown, their economic success depends on the availability of parking for their customers and employees.

Therefore, on January 27, 2020, the Board of Directors unanimously voted to support the addition of parking in downtown Georgetown at a location selected by council. The Board is indifferent on location and encourages council to move forward with the addition of parking.

We believe the addition of parking will be a benefit to the businesses in downtown Georgetown and will engage with council and staff throughout this process.

The Georgetown Chamber of Commerce has been facilitating economic success for our community since 1947 and we feel confident we will continue to be there for our members during these challenging moments.

The Georgetown Chamber of Commerce is an independent 501(c)6 nonprofit organization with a mission to facilitate economic success for our community through advocacy, education and collaboration.
