**GEORGETOWN, TX, September 11, 2020** – The Georgetown Chamber has awarded the Healthcare Cornerstone Award to the Nurses of Georgetown ISD for their dedication and high level of professional care to a very special group of individuals in our community.

This quarter's Cornerstone Luncheon, which was sponsored by Georgetown Behavioral Health Institute, focused Cornerstone award honors leading individuals and organizations making a significant impact in the Georgetown healthcare industry.

During the recent Pandemic, GISD nurses not only helped with meal distribution but they also gathered PPE supplies for Williamson county, monitored and screened guests for a safe graduation, and reached out to our students with chronic health conditions to ensure they had ongoing care.

“COVID-19 has shined light on our amazing healthcare community” says Georgetown Chamber President and CEO, Jim Johnson. “It doesn’t take a pandemic to recognize the hard work that they do. They are critical to ensuring students are healthy and ready to learn.”

A special thanks to Mindy Petty for accepting the award on behalf of the GISD nurses and to Sport Clips for sponsoring the award.
