**VALERIE COVEY RECEIVES HEALTHCARE CORNERSTONE AWARD**  
*Commissioner Valerie Covey Awarded at Quarterly Cornerstone Luncheon*

**GEORGETOWN, TX, October 1, 2019 –**

The Georgetown Chamber has awarded Williamson County Commissioner, Valerie Covey, with the Healthcare Cornerstone Award for her dedication and service to the healthcare industry for the betterment of the County.

This Cornerstone award honors leading individuals and organizations making a significant impact in the Georgetown healthcare industry.

“Commissioner Covey has shown amazing work in all four cornerstones but it is her work in mental health and working toward realistic solutions for opioid addiction that we honored her with the Healthcare Cornerstone Award” says Georgetown Chamber President and CEO, Jim Johnson.

Valerie Covey represents Precinct Three on the Williamson County Commissioner’s Court. Commissioner Covey was recently appointed to the Governing Board of the Texas Indigent Defense Commission.

The four cornerstones for a Chamber of Excellence are Healthcare, Public Safety, Education, and Economic Development. This quarter’s Cornerstone Luncheon focused on healthcare and featured Dr. John Hellerstedt, Commissioner, Texas Department of State Health Services.

The Georgetown Chamber of Commerce is an independent 501(c)6 nonprofit organization with a mission to facilitate economic success for our community through advocacy, education and collaboration.
